264	Miami	5	<b>First Miami High School</b>	Complete the restoration of the first Miami High School, through the Office of Historic Preservation, which will house a park and recreation office, historic exhibits and a computer learning center. Built in 1905, this building served as the first high school in Miami. In 1911, it was relocated from downtown Miami by barge to a site adjacent to the old Southside Elementary School. Recently saved from demolition by relocating it to Southside Park, it has already undergone structural stabilization and has received a new wood shingle roof.	142 SW 11 Street	<b>\$300</b>
265	Miami	5	<b>Hubbard-Alvarez Bungalow</b>	Rehabilitate this historic structure as a pilot project of the Office of Historic Preservation, that will serve as a catalyst toward the revitalization of this historic area of Little Havana, where some of the finest examples of Bungalow-style architecture are still abundant but rapidly disappearing. Built in 1921, the Hubbard-Alvarez Bungalow is one of the most outstanding examples of the Belvedere Bungalow style of residential architecture remaining in Miami. Funding secured through Dade Heritage Trust and Miami-Dade County, made it possible to match a developer's purchase bid on the property, which saved the building from demolition.	138 NW 16 Avenue	<b>\$250</b>
266	Miami Beach	5	<b>Facility Renovation and Rehabilitation of the North Shore Branch Library</b>	Major interior and exterior renovations to include renovating existing bathrooms, replacing the front entrance door, and removing architectural barriers for ADA compliance; exterior painting; installing motorized hurricane shutters or approved window film; enclosure of interior patio to increase public service area.
